

CAT6 U/UTP PATCH CORD - DC6UTP-YY

D-lite Category 6 U/UTP patch cords are specifically designed and manufactured for high-speed networking applications. It provides fast and reliable data transfer for modern high performance networking requirements.

dLite Cat6 patch cords are a reliable and cost-effective solution for connecting network devices and ensuring fast and stable data transfer. Compared to the earlier version of Ethernet cables, it transmits data at higher speeds.

FEATURES

- ✓ Supports bandwidth of up to 250 MHz
- ✓ Gold plated contact pins
- ✓ 24AWG premium grade CCA conductor
- ✓ Snag-less boots

APPLICATIONS

- ✓ Supports category 6 (Class E) networks running up to 250MHz applications
- ✓ Connection between wall outlets or equipments

SPECIFICATIONS

Parameters	Units	Value
Cable OD	mm	5.8 ±0.2mm
Insulators Diameter	mm	0.95 ±0.1mm
Termination Wiring		TIA-568B
Operating Temperature		-20°C ~ +75°C
RoHS Compliance		Compliant
Flame Retardant		PVC
Warranty		12 Months
Conductor		24AWG stranded CCA
Insulators Material		PE - Polyethylene

ORDER INFORMATION

Part Number	Product Description
DC6UTP-05	Cat6 UTP 7*0.18mm CCA PVC patch cord,0.5m
DC6UTP-1	Cat6 UTP 7*0.18mm CCA PVC patch cord,1.0m
DC6UTP-2	Cat6 UTP 7*0.18mm CCA PVC patch cord,2.0m
DC6UTP-3	Cat6 UTP 7*0.18mm CCA PVC patch cord,3.0m
DC6UTP-5	Cat6 UTP 7*0.18mm CCA PVC patch cord,5.0m
